Add-on Course

Topic: Certificate Course: Electronic Information Literacy—Concept Note

Need:

- In post pandemic era, entire knowledge society is turned into virtual teaching learning mode. Library and information centers are no exceptions to it. Users will now rarely access the print resources, instead they would more prefer the electronic and web resources. There is tremendous information explosion on www. Electronic Information Literacy programs have now become the need of the hour to help the users to reach and retrieve the most authentic and appropriate e-resources.
- Teacher trainees will create various types of E-Content as teaching Aids to their lessons, College should have repository of these E-Contents so that those can be catalogued, stored, retrieved and used systematically

Learning Outcome:

- All the course modules will be harmonizing and fulfilling to each of the aforesaid requirements and many other college activities. (Referencing for preparing the notes for the syllabus, making them ready for annual Book Review Competition, Retrieving biographies of Educational Psychologists, helping them to write better Action Report)
