II Brief Information about the Activity

Topic/Subject of the Activity	Workshop on 'Interactive E-Content Creation'
Objectives for conducting Activity	<ul style="list-style-type: none"> To empower the school teachers, create e-content for online teaching-learning activities during the pandemic.
Methodology	Workshop providing hands-on experiences to use different online tools to create e-content.
Outcome	<ul style="list-style-type: none"> Live sessions were conducted using the ZOOM platform. After each session, the participants were given an assignment related to the topic covered in the session. Recording of each session was also provided to assist the participants in the completion of assignments. Participants submitted the assignment through the google form shared with them. Certificates were issued after the submission of all assignments. The participants learnt to create e-content for teaching, learning and evaluation and appreciated the efforts put in by St. Teresa's Institute of Education.
