

NDLI Awareness Session for STIE Students : 17 July 2019, 1st and 8th August 2019

Orientation Session on National Digital Library was conducted on 17th July August 2019, 1st August 2019 and 8th August 2019 for SYBEd. Students in the Computer lab. 49 Students were benefited with hands-on experience to search the information resources through NDLI platform. Participants were systematically guided about

- registering with NDLI,
- accessing the content available on NDLI,
- limiting the search using various filters available,
- Google vs NDLI,
- the formation of college NDLI Club and many more aspects.

Learning Outcome:

Teacher trainees became familiar with a great treasure trove of open access scholarly literature on NDLI.
