II. Brief Information about the Activity

Topic/ Subject of the Activity	Register to Vote Today
Objectives for conducting Activity	<ol style="list-style-type: none"> 1) To educate students about the crucial role of voting in a democratic society and its impact on governance and policy decisions 2) To empower students with the knowledge of their rights and responsibilities as citizens, including the fundamental right to vote and the duty to participate in the democratic process. 3) To provide resources and support for students to overcome any barriers to voter registration or participation, ensuring inclusivity and accessibility in the electoral process.
Methodology	The session began with a comprehensive talk on the significance of voting. The students were given a detailed explanation about the role of voting in a democratic society and how it is a crucial tool for citizens to exercise their right to choose their leaders. The speaker also discussed the importance of participating in the electoral process and how it can impact the future of the country. After the informative talk, the students were then guided through the process of enrolling their names in the voting list. The speaker provided step-by-step assistance to the students in completing the registration process and obtaining their own identity cards.
Outcome	<ol style="list-style-type: none"> 1) The students understood the vital role of voting in democracy, recognizing its impact on governance and policy. 2) The students articulated their rights and responsibilities as citizens, including the duty to vote and engage in democracy. 3) The students overcame barriers to voter registration, ensuring inclusivity and accessibility in elections.
