We are grateful to Dr. Vignesh Sornamaohan, the Chief strategic and outreach officer - National Digital Library of India, for the valuable and informative session dated 27th May 2020 on National Digital Library of India. It was a joint session for FYBED students of St. Teresa's Institute of Education and Gandhi Shikshan Bhavan's Surajba College of Education, Santacruz, Mumbai.

Dr. Vignesh started with the challenges faced while accessing the traditional library and the need for the digital library as well as the advantages of a great treasure trove of open access scholarly literature: NDLI.

During one hour webinar, participants were systematically guided about

- Registering with NDLI,
- Accessing the content available on NDLI,
- Limiting the search using various filters available,
- Google vs NDLI,
- The formation of college NDLI Club and many more aspects.

During the question-answer session, Dr. Vignesh clarified various doubts of the students.

While concluding, sir insisted to take the oath of taking this information forward and creating awareness about NDLI.

As future teachers and educators, participants are assured of the same!

We are thankful to the management and Principals of both the institutions, Sr. Dr. Tanuja Waghmare and Dr. Ratnaprabha Rajmane Ma'am, Librarians, Dr. Shakuntala Nighot and Dr. Pradnya Bhosekar Ma'am for arranging and coordinating for this immensely fruitful session.
