Jay Shringarpure	Founder of Jay Foundation	College Teaching Staff	ECOTRIBE- Green Club members Aishwarya Bambarkar- Roll No. 05 Mubashera Shaikh -Roll No. 47

## II Brief Information about the Activity

<b>Topic/Subject of the Activity</b>	Beach Clean Up
<b>Objectives for conducting Activity</b>	<ul style="list-style-type: none"><li>● To reduce plastic pollution and protect marine life.</li><li>● To maintain a clean and safe environment for beachgoers.</li><li>● To raise awareness about the impact of littering on ecosystems.</li><li>● To foster community involvement and environmental stewardship.</li></ul>
<b>Methodology</b>	The volunteers and students gathered at the beach to collect plastic waste. Gloves and trash bags were provided to all participants, and volunteers guided the students on how to effectively gather and dispose of the trash. The collected plastic was grouped in one place for proper disposal and recycling, ensuring the beach was left clean and safe for all.
<b>Outcome</b>	<ul style="list-style-type: none"><li>● Students learned the importance of environmental conservation and the impact of plastic pollution.</li><li>● Students gained hands-on experience in community service and teamwork.</li><li>● Students felt a sense of accomplishment and pride in contributing to a cleaner environment.</li><li>● Students developed a greater awareness and responsibility towards maintaining public spaces.</li></ul>
