### II Brief Information about the Activity

Topic/Subject of the Activity	Book Reviews on Textbooks
Objectives for conducting Activity	To make students familiarised with the content presentation and organisation of the textbooks. To develop higher order thinking skills.
Methodology	Students selected the textbook in their first method as per their choice. Respective pedagogy teachers briefed students on how to analyse the textbook. Students then carried out this task with confidence.
Outcome	Through oral presentation students showcase their skills of analysing the content, organisation and presentation aspects of the textbook.
