2) BRIEF INFORMATION ABOUT THE ACTIVITY

Topic / Subject of the Activity	Campus Interview Programme
Objectives for conducting activity	<p>The objectives of conducting a campus interview program are:</p> <ul style="list-style-type: none">- To provide job opportunities to students.- Allow educational institutions to recruit talented individuals directly from educational institutions.- It helps bridge the gap between academia and industry.
Methodology	<ul style="list-style-type: none">- On the scheduled day, the schools and institutions visit the campus where interview panels are already set for them.- Students who are interested in participating sign up for interviews and submit their resumes.- During the interviews, the companies assess the candidates' skills, qualifications, and suitability for the available positions.- It's an exciting opportunity for students to showcase their abilities and potentially secure employment right from their college campus!
Outcomes	<p>For students, the outcomes of a campus interview program are quite promising.</p> <ul style="list-style-type: none">- It provides them with the opportunity to secure job placements, develop their skills, and expand their professional network.- They can gain valuable insights, receive feedback for growth, and even if they don't get a job offer, they can learn from the experience.- Campus interviews also help students explore different career options in the field and perspective of different schools and make decisions.
