II Brief Information about the Activity

Topic/Subject of the Activity	English Grammar Pro-Beginner to Advanced
Objectives for conducting Activity	- To enable the students to recognize and understand the meaning of targeted grammatical structures in written and spoken form. - To enable the students to use targeted grammatical structures meaningfully and appropriately in oral and written production. - To enable the students to self-correct when using targeted grammatical structures
Methodology	Grammar concepts from Basic to Advanced were dealt in 4 Quadrant Course Framework. Students were oriented to the course and its requirements. The Resource person Dr. Cerena D'Cunha used a variety of tools, including Powerpoint, Google Forms, and Google classroom during the 40-hour course to teach each topic and make it simple for the students to comprehend. Every day, one module was assigned to the google classroom consisting of instructional videos, e-materials, assignments, discussion forums, and quizzes that made the grammar topics less monotonous. Virtual (Study material was provided on Google classrooms, and need–based online lectures will be conducted.) A pre-test was conducted before the course began and a post-test was conducted after the course completion.
Outcome	At the end of the course, the students were able to - Recognize and understand the meaning of grammatical structures in written and spoken form. - To use grammatical structures meaningfully and appropriately in oral and written production. - Self-correct grammatically when using English Language.
