II Brief Information about the Activity

Topic/Subject of the Activity	Extension Education
Objectives for conducting Activity	<ul style="list-style-type: none">• To teach a student how to prepare materials for the dissemination of information collected.• To facilitate the college to obtain basic data about the status of women in the area of work.• To encourage the student to try their hand at small scale business to become self-reliant.
Methodology	<p>At the start of the academic year, students were oriented to various DLLE projects. One project each was selected and the required data was sent to the department.</p> <p>The Extension Teachers along with Student Managers ensure smooth running of the extension activities. Timely guidance and support was provided by the Field coordinator through field visits.</p> <p>At the year end, students noted down their take away in the final project report. These reports then were evaluated by the extension teachers, field coordinator and the evaluation committee of DLLE department.</p>
Outcome	<ul style="list-style-type: none">• The students mastered research skills. Their value dimension was strengthened and they learnt the skills of entrepreneurship.
