Colonel Uday Agashe		Teaching staff of the college	Creado Jezebel Dubey Vibha Gupta Sonali

II Brief Information about the Activity

Topic/Subject of the Activity	Lecture series in Environmental Education 1
Objectives for conducting Activity	To sensitize the students about the need of saving the natural resources. To give students training on effective handling of disasters at the school and community.
Methodology	Through the demonstrations and providing hands on experiences students were trained for fire related disasters. Also discussion and quiz techniques were used to explain the importance of rain water harvesting.
Outcome	Students were made aware of their responsibility to save the natural resources and disseminate the same information to the masses.
