II Brief Information about the Activity

Topic/ Subject of the Activity	NDLI Outreach for St. Teresa's Convent High School
Objectives for conducting Activity	<ul style="list-style-type: none"> To promote awareness about NDLI and its resources among students of Standard 10th of St Teresa's Convent High School. To highlight the importance, need, scope and varied resources on NDLI. To give them detailed instruction on its accessibility and resourcefulness for any educational level To create a community of lifelong learners.
Methodology	<ul style="list-style-type: none"> General Information on Google Vs. National Digital Library of India Registration of students on NDLI Portal. Guidance regarding internet search techniques Hands-on with NDLI
Outcome	<ul style="list-style-type: none"> The students admitted that NDLI is more user friendly and effective than Google for searching any academic information. They were overwhelmed to have such rich and scholarly resources available at their fingertips which can be utilised to make their projects and assignments more value-added. Students assured that they will orient their family and friends and neighbours about NDLI as NDLI can provide resources in all possible subjects in various languages and formats.
