|---|--|
| Topic/Subject of the Activity | Orientation to the Grievance Redressal Cell and Anti-Ragging Cell 2023 |
| Objectives for conducting Activity | <ol style="list-style-type: none">1) To provide a safe and respectful environment for all members of the college, address and resolve grievances in a timely and effective manner.2) To prevent and eliminate ragging in all its forms, and to ensure that all students are aware of the consequences of ragging. |
| Methodology | The grievance redressal cell typically involves submitting a written complaint to the cell, which is then reviewed and investigated by the cell. There is an online portal of the College Grievance Redressal cell available, where students can report their grievances and issues and the issues would be solved within 15 days of submission. For the offline purpose, a grievance box would be kept in a common place under lock and key in the college for the students to access it. |
| Outcome | <ol style="list-style-type: none">1) To help address the grievances and issues faced by the students.2) To encourage change among the different aspects of the institute.3) To understand the student's mindset and make them feel encouraged and have a feeling of oneness. |
