## II Brief Information about the Activity

<b>Topic/Subject of the Activity</b>	<b>All Mumbai Inter School/Intercollegiate Environment based Festival.</b>
<b>Objectives for conducting Activity</b>	<ul style="list-style-type: none"><li>• To create awareness about important environmental issues.</li><li>• To alert society to the need for environmental conservation.</li><li>• To tap the creative thinking of the student fraternity to evolve ingenious solutions to safeguard the environment.</li><li>• To reach out to the less fortunate by adding a social dimension to the Fest. (Differently abled children)</li><li>• To train student-teachers in their role as entrepreneurs.</li></ul>
<b>Methodology</b>	<p>It is a two day environmental festival which includes 12 competitions all based on themes relating to the environment.</p> <p>Schools and Colleges compete on separate platforms and three Awards each are presented to the Best School and College participating at the event.</p> <p>There is networking between the student fraternity, academia, industry, environmental NGOs, media and corporates who participate in the fest as a part of their CSR.</p>
<b>Outcome</b>	<ul style="list-style-type: none"><li>• The youth showcased their creativity, ingenuity and critical thinking skills as they endeavoured to prove their concern for environmental protection.</li><li>• Helped student-teachers to nurture their entrepreneurial skills.</li></ul>
