II .Brief Information about the Activity

Topic/Subject of the Activity	Singing competition
--------------------------------------	---------------------

Objectives for conducting Activity	<ul style="list-style-type: none"> ● To develop a creative, and intuitive understanding of music as a cultural language. ● To promote diversity among the faculty and the students. ● To give students incentive to show up at their best, motivating them to push through plateaus and put in all the extra work to really hone in their singing.
Methodology	<ul style="list-style-type: none"> ● Contestants were to sing in an expressive & spirited way. They were to articulate well. They were expected to be proficient without the use of microphones. ● Stage Presentation , rendition ,Diction, time limit ,Song Choice were the following criteria that were considered while judging

Outcome	<ul style="list-style-type: none"> ● The students showcased a sense of, self-esteem and self-confidence as a result of the competition. ● Each student showed their mastery over voice modulation, pitch, rhythm and tone. ● The students excelled the competition and there were several winners in each category .
