II. BRIEF INFORMATION ABOUT THE ACTIVITIES

Topic/Subject of the Activity	Workshop on street-Play
Objectives for conducting Activity	I. To introduce students, the basic techniques of street play. II. To teach the use of body language, voice modulation, humor, props etc. in a play III. To enhance the acting skills, organizational skills, time management, presence of mind, alertness etc. in students.
Methodology	I. Brainstorming games were played with the students to enhance the technical aspects of street-play such as usage of humor in dialogues, voice modulation, usage of body movements and props II. Students were given situations to enact on the spot and thus improve our acting skills III. The workshop emphasized hands-on experiences, allowing students to actively participate in activities. Sir himself performed and showed us the importance of street play
Outcome	I. Participants will improve acting skills, voice modulation, time management, usage of body language, and organizational skills. II. Participants will improve their confidence in performing plays and their communication skills III. Participants will develop presence of mind and creative skills
