II Brief Information about the Activity

Topic/Subject of the Activity	Super Teacher Empowerment Program
Objectives for conducting Activity	<ul style="list-style-type: none"> ☐ To provide student teachers with a holistic overview of the salient features of schools affiliated to the different Board types. ☐ To empower student teachers with the know-how and skills needed to teach in these schools. ☐ To help student teachers be better informed about teaching in schools affiliated to different board types so that they can make a well informed decision when choosing a school for recruitment.
Methodology	<ul style="list-style-type: none"> ☐ The certificate course comprised of 6 training phases of 2 days each related to the different board types of education. EACH Phase comprised of theoretical inputs and practical demonstration of lessons. Assignments pertaining to each module were given to the student teachers. 0.1 Credits were assigned per hour. Thus, the course comprised of 30 hours duration with 3 credits allocated totally.
Outcome	<ul style="list-style-type: none"> ☐ It led to the effective development of the cognitive, psychomotor and affective domains of the student teachers. ☐ It enhanced creativity, ideation and skill development in the student teachers. ☐ The student teachers were able to make well informed choices about joining a given institution on completion of their B.Ed. ☐ It made the student teachers understand and appreciate that each board type is unique and discover where their passion and calling lay as teachers.
