II Brief Information about the Activity

| Topic/Subject of the Activity | Tree Labelling Inventory and Drive |
|---|--|
| Objectives for conducting Activity | <ul style="list-style-type: none"> □ To sensitise student-teachers to their role in Environmental Stewardship □ To transform the student teachers into agents of change. □ To protect and conserve trees on the campus. □ To alert society to the importance of different species of trees. □ To actively engage and involve every member of community to walk the green talk □ To provide a forum for networking between various stakeholders and usher in a Green Evolution |
| Methodology | <ul style="list-style-type: none"> □ Stage 1: The College networked with Knowledge Partner Terracon EcoTech Pvt. Ltd. to conduct the Tree Landscaping Inventory wherein 101 trees, shrubs, twiners and climbers were identified. 36 species of trees were identified and 29 trees were Geo tagged. □ Stage 2: Environment enthusiast Ms. Aditi Jaykar Kane provided the specific information and fun facts about the different trees which were to be labelled on the campus. □ Stage 3: The B.Ed. student-teachers of the Science Club researched for the appropriate images of each tree and prepared the Tree Label Boards. □ Stage 4: To mark the Golden Jubilee year celebration a Tree Information Board consisting of details of the Campus Green Cover was installed at the entrance. □ Stage 5: An Inaugural ceremony was organized consisting of a Green Assembly, Quizzes, Green genie Competitions, Speeches by resource persons and the Unveiling of the Tree Information Board. |
| Outcome | <ul style="list-style-type: none"> □ Propagating Environmental values □ Developing organizational and leadership skills □ Empowering students to be agents of change □ Creating waves of awareness regarding a worthy cause □ Networking with Environmental NGOs |
