II Brief Information about the Activity

Topic/Subject of the Activity	Workshop on Common Errors in English Communication
Objectives for conducting Activity	<ul style="list-style-type: none">To make students aware of the common mistakes they make while using the English language in various activities.
Methodology	<ul style="list-style-type: none">The students were introduced to various common mistakes they make in using the English language.They were made aware of the different words with the same spellings, Example- its/it's everyday/every day and how to use them in different sentences.Further the students were also briefed upon the mistakes in contractions, example (you +all= y'all) (you+ will= y'll) and how to use them correctly.This was followed by different games and activities where students were tested on what was taught in the workshop.The students were also given practice quizzes to work on, created by the resource person.
Outcome	<ul style="list-style-type: none">The students became aware of the common mistakes made while using the English Language and how to use the appropriate words in sentences while using the English language.
