II Brief Information about the Activity

Topic/Subject of the Activity	**Poster Making Competition**
Objectives for conducting Activity	● To raise awareness of voting. ● To promote Voter Education. ● To Encourage Youth Engagement.
Methodology	I. A poster making competition is an engaging and creative event often organized to raise awareness with regards to the election process. II. The students were asked to pre-plan and carry necessary items related to making poster. The students were allotted an hour and a half to complete the poster. All the FYB.ED students got different classrooms to begin their work. III. Everyone had come with their colourful chart papers, sketch pens, printouts of different pictures to be used on the posters. This activity actually helped the students to demonstrate their talents and artistic skills. Most of the students made posters with regards to the right to vote. IV. Some of them, painted pictures of an Electronic Voting machine or even a Ballot box. Each individual had their own creative way to demonstrate the need to vote and how must compulsorily exercise this duty.
Outcome	I. The participants actively participated in the Poster making competition that engaged them in a fun, creative and educational way. II. This competition helped the students to express themselves with the help of art and craft. III. The competition not only sparks artistic creativity but also plays a critical role in educating the public about the electoral process, making it an important initiative for fostering democratic engagement. IV. This event not only provided a creative platform for students to express their thoughts on the importance of voting and democratic participation but also served as a wonderful opportunity to engage with crucial topics related to the election process. V. The initiative has sparked meaningful conversations and raised awareness among students, contributing to the overall goal of fostering civic responsibility.
