Tree Plantation Drive: 11th December, 2024

1) Basic Details

Date	**Faculty**	**Department / Committee**	**Co-ordinator name**
11.12.24		Green Club	Dr. Cinderella D'mello
Time	**Venue**	**Activity for Class/ Group with Total Number of Attendees**	**Nature:**
09:00 am to 11:00 am	Virar – Maratha Life Foundation	14 Student + 1 teacher	Outdoor
Name & Details of the Resources Person		**Names of Staff Members who supported**	**Name of Students who supported**
People's Strength Foundation		Dr. Cinderella D'mello	

2) Brief Information about the Activity

Topic/ Subject of the Activity	Tree Plantation Drive
Objectives	● To conserve the environment by absorbing carbon dioxide and producing oxygen, which improves air quality and reduces pollution ● To support biodiversity by providing habitats for various species of flora and fauna, promoting ecological balance. ● To improve air quality by filtering pollutants from the air and releasing fresh oxygen.
Methodology	The Students planted many saplings at Maratha Life Foundation along with their Teacher . As students feel happy, tree planting provides a deep sense of fulfillment, knowing that each sapling contributes to cleaner air, improved biodiversity, and climate resilience. It connects us with nature and serves as a reminder that small actions, like planting a tree, can lead to lasting positive change.
Outcome	The outcome of the Tree Plantation Drive is to make people aware of the importance of trees in maintaining a clean and healthy environment, including their role in reducing pollution and producing oxygen. Trees provide shade and cool the environment through transpiration, reducing heat in urban areas and creating a more comfortable climate.
