None		Dr. Reshma Rodriguez	Ms. Sidra Shaikh Ms. Nikita Sharma

II Brief Information about the Activity

Topic/Subject of the Activity	**Chart Making Competition**
Objectives for conducting Activity	• The primary objective of conducting the chart making competition was to create awareness about environment for making it clean and healthy • The environment is to ensure sustainable development and the protection of natural resources. This is achieved by using resources without negatively impacting the environment or economic growth.

Topic/Subject of the Activity	Chart Making Competition
Methodology	• The Student has to make a chart individually on environmental protection . It was compulsory to participate in this competition. Each of us has made an amazing chart and winners will be selected for inter college competition.

Outcome	• The outcomes that resulted from the successful chart making day were that it ignited curiosity and interest for environmental protection through art and paintings in all students. • Some messages from charts we got are :stop and start living, prevent pollution, protect nature, and plant trees to make our environment pollution-free.
