II BRIEF INFORMATION ABOUT THE ACTIVITY

Topic	Training on Understanding Child Sexual Abuse and Personal Safety Education
Objectives for conducting Activity	● Raise awareness about child sexual abuse and its types. ● Helping teachers to empower the children to recognize safe and unsafe touch. ● To equip children with the skills to assertively say "No" in unsafe situations. ● To Encourage children to seek help from trusted adults. ● To instill confidence in children that they are never at fault in cases of abuse.
Methodology	● PowerPoint presentation used to explain the concept of Personal Safety Education (PSE). ● Videos were shown alongside the presentation to enhance understanding. ● Use interactive discussions with age-appropriate stories and visuals on child safety. ● B. ED students conducted this session to reach out to the students to fulfil the goals and aims of the organisation ARPAN.
Outcome	● Teachers can explain to the children how to identify safe and unsafe touches with confidence.

	• Teachers can help the children to recognize the importance of seeking help and know whom to approach. • Increased awareness about the steps to be taken when facing potential harm. • Increased awareness about the child sexual abuse and personal safety • Teachers can make children feel supported, reassured, and confident in reporting any incidents.
