II. Brief Information about the Activity

Topic/ Subject of the Activity	International Peace day celebration
Objectives for conducting activity	● To highlight the historical connection of World peace day. ● To create awareness about the need for peace in present times. ● To inspire students to use peace as a weapon and resolve conflicts. ● To integrate peace within the teaching learning process. ● To encourage students to take up constructive ways to promote peace within their communities and classrooms.
Methodology	● The Peace day celebration began with a hymn 'Light a candle for peace'. ● In addition, a prayer was said reflecting on the need for peace in this world. ● Following this, all the students and staff were informed about the historical emergence of Peace day and the various activities and celebrations held on this day in various parts of the world. ● Moreover, students and staff were made aware about the various ways in which international peace can be attained. ● The theme for this year- Peace day was revealed, 'Cultivating a Culture of Peace.' ● Thereafter, a video was shown wherein children were describing what world peace means to them. ● An essay writing competition was held as well. The top or the same was 'My message to the world on World Peace day'.
Outcome	● The students and staff developed a clear understanding of the importance of International Peace day. ● The students gained insights about the importance of peace ● The students realised the role that they play as teachers and responsible global citizens to instill peace in society. ● The students gained exposure as to how peace can be attained in various spheres.
