Introducing Library Footfall Tracker: 27, 28 August 2026

I. Basic Details

Date	Faculty	Department/Committee	Co-ordinator name
BEd 27-08-2026 DEd 29.08.2026	Arts	Education	Dr. Shakuntala Nighot
Time	**Venue**	**Activity for Class/Group with Total Number of Attendees**	**Nature**
10:20 a.m.–11:15 a.m.	STIE Library	BEd (Batch 2025-27)-44 DEd (FY & SY)-56	Indoor
Name, Details of Resource Person		**Names of Students who Supported**	
Dr. Shakuntala Nighot Librarian		1. Mr. Hussain Mazhar Motarwala (SFIT Intern) 2. Ms. Riya Dhanesh Rajput (SFIT Intern)	

II Brief Information about the Activity

Topic & Background of the Activity	**Orientaion to Library Footfall Tracker System** Under the MoU between St. Francis Institute of Technology (SFIT), Borivali & St. Teresa's Institute of Education (STIE), Santacruz, signed on 5 February 2025, SFIT Computer Science students Hussain and Riya developed the Library Footfall Tracker System for STIE as an internship project. The system was developed after multiple meetings and groundwork through continuous coordination, testing, debugging and revisions based on the Librarian's requirements and feedback, and was installed in the STIE Library on 13 August 2026.
Objectives for conducting the Activity	• To introduce students to the newly developed digital Library Footfall Tracker System. • To explain the importance of systematic footfall records for library management and NAAC documentation. • To familiarize students with the correct digital entry and exit procedure.
Methodology	• The Librarian explained the purpose and importance of the system and demonstrated its interface. • Students were shown how to select the purpose of visit and scan their library card or enter their Library Membership Number at entry and exit. • The creation of date-wise footfall records was demonstrated. • Students were given hands-on practice using the system
Outcomes	• Students understood the importance of maintaining accurate digital library footfall records. • Students learnt to independently use the system for recording their entry and exit. • The orientation promoted technology-enabled library usage and systematic NAAC-ready documentation.
