II. Brief Information about the Activity

Topic	NDLI Orientation programme.
Objectives	• To familiarize students with the National Digital Library of India (NDLI) and its features. • To demonstrate the NDLI Club membership and registration process. • To guide students in registering for STIE NDLI Club events and obtaining participation certificates. • To encourage the use of NDLI for academic learning, teaching, research, and self-development.

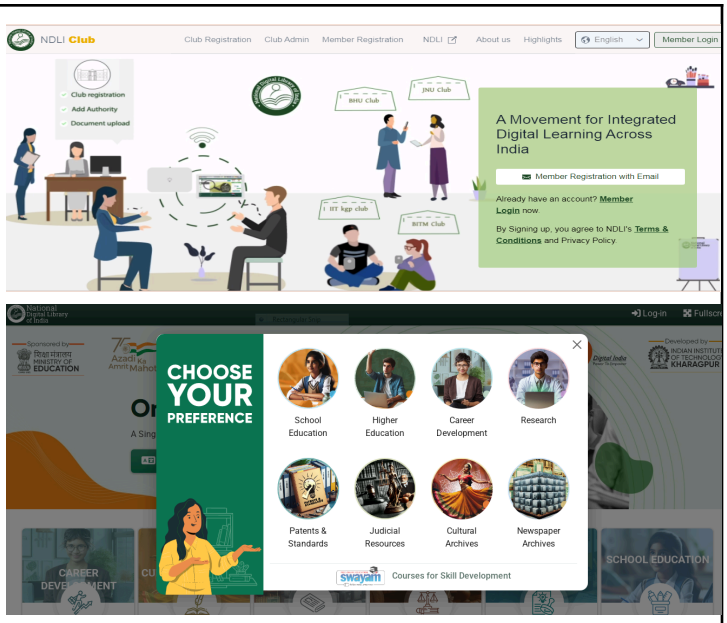

Methodology	• An interactive orientation and live demonstration of the NDLI portal was conducted. • Students were shown how to search, filter, and access resources available on the platform. • The NDLI Club membership process was demonstrated step-by-step. • The procedure for registering for STIE NDLI Club events was explained. • Students were also shown how to generate participation certificates after attending events. • The multilingual nature of NDLI and its access to resources across subjects, resource types, and file formats was highlighted.
Outcome	• Students gained practical knowledge of using NDLI and its digital resources. • They learned to search and access information in multiple languages, subjects, resource types, and formats. • Students understood the NDLI Club membership and event registration procedures. • They learned how to generate participation certificates for NDLI Club activities. • Students recognized NDLI as a useful resource for students, teachers, researchers, and lifelong learners. • Students received participation certificates from Min of Education & IIT Kharagpur for the event.
