Time	**Venue**	**number of Attendees**	**Nature**
11:00AM-12:00PM	Multipurpose hall (Online- Go To App)	50 (43 students+7 Staff)	Indoor
Name, Details of Resource Person	**Names of Staff who supported**	**Names of the Students who supported**	
Mrs.Ranjana, Senior Network Assistant DELNET	Dr. Giselle D'Souza , Dr. Sr. Tanuja Waghmare	Ms. Althea Serrao	

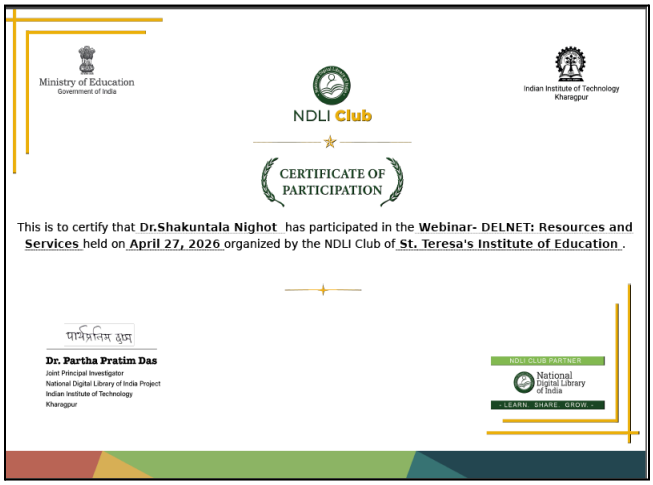

II. Brief Information about the Activity

Topic/Subject	**Delnet: Resources and services Webinar**
Objectives for conducting Activity	❖ To familiarize students and faculty with DELNET's digital library resources and services. ❖ To develop skills in searching and accessing e-books, e-journals, audiobooks, video lectures, and research databases. ❖ To promote effective use of digital resources for learning, teaching, and research.

Methodology	❖ The programme commenced with an inaugural address by the Principal, Prof. Dr. Giselle Dsouza, highlighting the importance of digital library resources in teaching, learning, and research. ❖ An expert session was delivered by Ms. Ranjana, Senior Network Assistant, DELNET, introducing participants to DELNET resources and services. ❖ A practical demonstration was conducted on accessing e-books, e-journals, research databases, and other scholarly resources. ❖ Participants were guided on searching and effectively utilizing DELNET resources for academic and research purposes. ❖ An interactive session was conducted to address participants' queries and provide further clarification. ❖ The programme concluded with a vote of thanks to the resource person, management, faculty, staff, and student participants.
Outcome	❖ Participants gained awareness of DELNET resources and their academic applications. ❖ Participants developed basic skills in searching and accessing digital library materials. ❖ The session encouraged the use of digital resources for self-learning, teaching, and research. ❖ The activity strengthened digital literacy and effective use of technology-enabled library services.
