II Brief Information about the Activity

Topic/Subject	**Diwali Celebration**

Objectives for conducting Activity	• To understand the importance and significance of Diwali. • To unlock the creativity aspects of the students. • To analyze the event's effectiveness in promoting cultural literacy and hands-on learning of traditional and craft activities. • To learn to be kind to every individual and the environment.
Methodology	• Students were told to make the diwali edible crafts by the professors. • All the students were invited to decorate diyas according to their own creative perspectives.
Outcome	• Students had their own creative outlook towards the festival of lights. • Students learned about the positive aspects of the festival in their own perspectives.
